

## 8 weeks starting 20<sup>th</sup> February 2019

Would you like to read the Bible with more knowledge and understanding? Have you tried reading the Bible and found it difficult to get going, or keep going, especially through some of the more challenging books! Have you tried starting in Genesis and then got a bit unstuck in Numbers? Well, help is at hand. This course is aimed at anyone who would like to understand the Bible better, whether you have been reading it and found it challenging (as we all do sometimes) or whether you would like to get going but not sure of how to get started or the context. The course lasts for eight sessions, and covers the different kinds of literature in the Bible, and looks at the big picture or the big story of the Bible and how the different books are part of that.

There is a handbook which accompanies this course and will cost £4.99, payable at the first session.
